# THE STORY BEGINS

## Where ski heritage met map & compass.

3Tre Orienteering was born from a shared vision: bringing a new sport into one of the most iconic settings of Alpine skiing.

Inspired by the legendary 3Tre, the event transformed Madonna di Campiglio and the Canalone Miramonti into a stage for maps, compasses and runners.

For the first time, two sporting worlds met in the same place — united by technique, concentration, speed and passion.

## STAGE 2 – MIDDLE DISTANCE

Saturday 27 June 2026 · First start 11:00

Stage 2 led runners into the pine forests of Patascoss, where open grassy sections alternated with technical woodland and fast route choices. The courses combined good runnability with steep final sections, before bringing athletes back to the 3Tre Arena at Canalone Miramonti.
